Sponsorship

Corporate sponsorship of the biannual ICEUBI2019 Congress contributes to the successful outcome of each couple year's congress. ICEUBI2019 appreciates your support and participation and wants your sponsorship to meet the needs of your company.

ICEUBI2019 will send a contract and the Code of Conduct; upon signing the ICEUBI2019 contract and receiving payment, your booth will be assigned, and your logo will be posted on the website. Access to the recruitment database and complimentary registrations will be processed upon receipt of payment and the ICEUBI2019 contract.

ICEUBI2019 Policy for Sponsor Events

ICEUBI2019 welcomes sponsors at the meeting and provides adequate space for them to interact with ICEUBI2019 attendees. Sponsor parties during the ICEUBI2019 Congress should be held after 7:00 pm. ICEUBI2019 discourages corporate events that conflict with any official ICEUBI2019 events, workshops, and Congress sessions.

ICEUBI2019 does not organize sponsor presentations at the Congress or Workshops and discourages parallel meetings organized by sponsors. Satellite meetings should be organized by sponsors immediately before or after the ICEUBI2019 meeting.

Please use our logo on our signage if needed.

Information Required to Apply for Sponsorship

To start the application in the web site iceubi.ubi.pt, it's helpful to gather some information up front. When you are ready, please hit the "Go to sponsorship proposal" button to begin:

1. **Company NIF number.** After you complete the application, you may send yourself an invoice from ICEUBI2019 for the sponsorship. If you need that invoice to have a NIF number from your company on it, then you will need that NIF number in the application.
2. **Will you host an event?** If you intend to host an event during the Congress, you will be asked about the type of event you will host, your target audience, and how will attend. We collect this information, so we can align our goals with yours.
3. **Branding.** Our sponsor page highlights your company logo, provides a link to your website, and displays a paragraph about your company. You will be asked for each of these in various steps.
4. **Vector logo.** We need a high-quality vector version of your logo in .pdf, .ai, or .svg format. This logo may be enlarged for a sponsor poster, so it is important that it be a high-quality image in vector format.
5. **Payment.** Sponsorship payment is due by September 30th, 2019 until 23:59. You will receive an invoice by email.
